English

Nothing more 'Murican than dyeing your skin the colors of the flag. Freedom\u2122. CUS IM PROUD TO BE AN AMERICAN!!! CUS ATLEAST I KNOW IM FREE!. Cheeseburger Freedom Man had a one night stand with an eagle. True American beauty resulted from that night 9 months later.

<https://www.youtube.com/watch?v=919qrvvZKIU>. That's the Mang0.. Can Star-Spangled Wrastor replace the bald eagle for our national bird?. Wrastor just reminded me of Mang0 every time I played him. Plus they had a vanilla color variant that used red and blue. This skin just extends the hype of the character!
